## 50<sup>th</sup> Anniversary Party

NARHAMS turns 50 in 2015! As the oldest continuously operating section in the NAR, we take great pride in our history. We will be hosting a 50th anniversary party on March 7, 2015, and we invite all to attend. We would especially like to see former NARHAMS members, but anyone who enjoys an evening hanging out with rocket folks is welcome.

Join us for an evening of celebration at the College Park Aviation Museum with catered finger foods and a cake, mingle with current and former members, view club history and memorabilia, and find out from Ole Ed the secret of the number 43.

### **Tickets for the event are \$30**

The menu will include a selection of mini sandwiches, fresh veggies, famous Ledo's pizza, a brie round, cake and soft drinks

After the party, on Sunday March 8<sup>th</sup> from 1pm-2pm, NARHAMS will be hosting a fun launch at the Goddard Space Flight Center Visitors Center. Flights are limited to D engines, single staged models up to 1 lb.

Continue the celebration by purchasing one of our special commemorative items:
